Mary Deneau and Dan Yerks Are Now Licensed Professional Engineers

Benton Harbor, MI. - [Wightman & Associates, Inc.](#) (WAI) recently announced that Mary Deneau and Dan Yerks recently became licensed by the State of Michigan as a Professional Engineers.

Mary Deneau specializes in environmental, civil, and geotechnical engineering and she is a certified LEED AP. Wightman & Associates clients benefit from her expertise in water and wastewater treatment, ground and surface water contaminant transport, site plan design and preparation, construction plan preparation, pavement and foundation design, soil analysis, field experience, operation of surveying equipment, and technical communications.

Deneau has a B.S. in Civil Engineering, graduating with Cum Laude Honors, and a M.S. in Environmental Engineering from the University of Michigan, Ann Arbor, MI. Mary recently worked as an engineer for the City of Ann Arbor, Michigan and for Engineering Properties, PC in Walden, New York. Deneau also worked as a field engineer for Wightman & Associates for two summers when she was an undergraduate student.

She is a member of the American Society of Civil Engineers and served as the Associate Editor for the Chi Epsilon Honor Society during her senior year.

Daniel E. Yerks, joined WAI as a Project Engineer. He has expertise and experience in managing a diverse range projects for private and municipal clients. His project work has included drafting commercial and residential site plans, designing grading, roadways, water mains, sanitary and storm sewers, and completing topographic surveys and construction staking. Yerks is originally

from Sylvania, OH and graduated Magna Cum Laude with a Civil Engineering degree from Valparaiso University, Valparaiso, Indiana. He worked previously for an engineering firm in Illinois, a general contracting firm in Ohio, and for ODOT.
