OUR COMPANY

Our firm was established in 1946 by G.L. Wightman, Civil Engineer and Surveyor. In 1971, the company became Wightman & Associates, Inc., and since then has grown to include six employee-owned companies with more than 160 employees. As a full-service engineering, surveying and architectural firm, we are involved in a broad range of projects including municipal water, sanitary sewer, storm sewer, street paving, road reconstruction and building, and bridge reconstruction and renovation. Our engineering and architectural design experience also includes new and renovated municipal buildings, parks and recreational facilities, waterfront structures, residential developments, and retail, commercial and industrial complexes.

WAI WIGHTMAN & ASSOCIATES, INC.
ENGINEERING ♦ SURVEYING ♦ ARCHITECTURE

Wightman & Associates, Inc. offers full architecture and engineering services from environmental and geotechnical inspections, through surveying, site design, building design, bidding administration, contract administration, and ADA inspections.

With more than 20 years of specialization in the restaurant industry, our professional staff can assist with a variety of construction aspects including:

- ◆ prototype and new structure design,
- ◆ in-line restaurants,
- ◆ adaptive reuse,
- ◆ renovations,
- ◆ playground additions,
- ◆ image upgrades,
- ◆ emergency damage evaluation, and
- ◆ site planning and design.

**Burger King Restaurant Playground Addition
Midland, MI**

**New Arby's Restaurant
Lakes Mall, Fruitport Township, MI**

With six Wightman affiliate offices in Michigan and Indiana, our clients know that our company has the capability, knowledge and experience to consistently provide the professional services they need, when they need them. Our high rate of client satisfaction is evidenced by the more than 200 restaurant facilities we have designed, many for the same clients, year after year.
