Wightman & Associates Adds to Staff.

Benton Harbor, MI. – Tom Deneau, President, Wightman & Associates, Inc. recently announced that Darren R. Vink, P.E., and Matt Ensing, have joined the engineering technician staff at their Benton Harbor headquarters. In addition, the firm has hired seven summer interns heralding from Western Michigan University, University of Michigan, Andrews University, Southwestern Michigan College, Trine University, Ft. Wayne, Indiana and Rose-Hulman Institute of Technology, Terre Haute, Indiana.

Darren R. Vink, P.E. has over 13 years of experience in MDOT and municipal construction inspection. Vink's inspection and testing duties for Wightman & Associates are in the area of MDOT highways, bridges, and retaining walls; including sanitary sewer, storm sewer, and watermain, as well as grading and layout of concrete and HMA surfaces. He has a B.S. in Civil Engineering from Calvin College, Grand Rapids, MI. Vink is licensed in Michigan and holds numerous certifications.

Matt Ensing, joined Wightman & Associates as an engineering technician. Ensing has twelve years of experience in concrete construction, inspection and performed QA/QC concrete testing and density testing. In his previous position, Ensing worked cooperatively with MDOT in Grand Rapids and local agency inspectors. He also holds numerous certifications.

Summer interns for the engineering department include: Nathan Raburn, Western Michigan University; Andrew Gebhard, Western Michigan University; Courtney Rousseau, Western

Michigan University; Patrick Glowacki, University of Michigan; Alyssa Kent, Rose-Hulman Institute of Technology; Mackenzie Green, Trine University, Ft. Wayne, Indiana and Kyle Malott, Southwestern College.
