## Charles R. Wright Becomes Licensed Architect

Benton Harbor, MI. - Wightman & Associates, Inc. recently announced that Charles Wright has been licensed by the State of Michigan as a Professional Architect. Mr. Wright began his architectural career at Wightman & Associates, Inc. and is involved in the design and the preparation of working drawings, project coordination, specification writing, and Computer-Aided Drafting and Design (CADD) for municipal, commercial and residential projects.

Wright has a Bachelor of Architectural Technology and a Bachelor of Architecture from Andrews University, Berrien Springs, MI. He is also certified as a Construction Site Stormwater Operator. His professional affiliations include American Institute of Architects and National Council of Architectural Registration Boards.

Charles is responsible for a range of duties in the architecture department including drafting, project coordination, and design work for residential, commercial office, retail & restaurant, and municipal projects throughout the Midwest.

Wightman & Associates, Inc., located in Benton Harbor, Michigan, provides cost-effective professional services for engineering, architecture, surveying, and construction inspection. An employee-owned company, Wightman & Associates, Inc. maintains a skilled, professional team licensed to provide services throughout the Midwest, including Michigan, Indiana, Illinois, Ohio,

Kentucky, Wisconsin, and Pennsylvania. Clients include governmental bodies, private developers, industrial and commercial clients. For more information, visit
