Wightman & Associates Adds to Staff.

Benton Harbor, MI. – Tom Deneau, President, Wightman & Associates, Inc. recently announced that John Miller and Anthony Rappa have joined the staff at their Benton Harbor headquarters.

John Miller is responsible for overseeing long-term and short-term operations at Wightman & Associates, Inc. His duties include business development in addition to human resource responsibilities. Miller has extensive experience in governmental relations with Federal, State and County Agencies and will use his expertise in the coordination and guidance of staff. “We believe that John’s years of experience as a successful leader, manager and team player will complement our team environment where everyone participates in each and every success,” stated Deneau.

Anthony Rappa joined the WAI staff as the Engineering CAD Manager. He has over 22 years of experience in the design and drafting of commercial and private projects. He is providing CAD management, drafting and design for site, utilities, grading, road way and erosion control for all types of public, private and commercial projects. Previously he was the senior designer for R.A. Smith National in Brookfield, WI.

“We are excited to have John and Tony join on our team and we look forward to their vision and expertise to help continue the success of Wightman and Associates,” commented Deneau.
