

ADDENDUM NO. 1

CITY OF GOBLES

MEDC WATER MAIN IMPROVEMENTS PROJECT

Addendum No. 1 to the plans and specifications for the City of Gobles MEDC Water Main Improvements Project as prepared by Wightman & Associates, Inc. dated February, 2010

This Addendum No. 1 supplements and modifies the Contract Documents relating to the above referenced project. This Addendum shall be deemed a part of the Contract Documents, and to the extent that the provisions of the other Contract Documents are in conflict herewith, this Addendum shall control.

- A) The Project Specification for Water Service Connections, PS-17 shall include the installation and materials for Curb Stops.

Curb Stops shall be set at the property line or as directed by the ENGINEER and shall be constructed of bronze with a valve box and cover of the size recommended by the manufacturer. All Curb Stops must be of the type currently used by the City of Gobles and must be approved by the City prior to being ordered or incorporated into the project.

Construction methods shall include all materials and work necessary for the removal of the existing curb stop, restoration, and the installation of the new one at all existing locations as well as were required by the ENGINEER. The measurement and payment of this item will be Contractor's bid unit price for item #10, Reconnect 1" Water Service.

The CONTRACTOR hereby acknowledges receipt of this Addendum No. 1 and shall include a signed copy with his bid.
